7220 McCallum Blvd, Apt 1204, Dallas, Texas, USA - 75252

Education

The University of Texas at Dallas — Richardson, TX, USA
Doctorate in Physics — *Expected May 2026*

The University of Texas at Dallas — Richardson, TX, USA
Master of Science in Physics, GPA: 3.934/4 — *December 2023*

Punjab Engineering College (Deemed to be University) — Chandigarh, India
Bachelor of Technology in Aerospace Engineering with Minor Specialization in Mathematics, GPA : 9.2/10 — *June 2020*
Rank: 2
Major project: Computational study of flame propagation in a micro-scale channel and applications of such micro-combustors in thermo-electric power generation

Skills

- **Programming Languages**: Python, C++, SQL, Matlab
- **Softwares**: pyLIMA, Fluent, AutoCAD, OriginLab, Athena++, Jupyter, Solidworks and ANSYS

Experience

The University of Texas at Dallas — TX, USA
Research Assistant — *May 2022 - Present*

The University of Texas at Dallas — TX, USA
Teaching Assistant — *January 2021 - May 2022*
- **Physics Laboratory I: Mechanics**: Hosting weekly sessions for students to go through the Mechanics Lab experiments. Grading their Lab report submissions

Indian Institute of Indore — Indore, India
Masters of Science in Astronomy — *August 2020 - December 2020*
Dropped out: Attended 1 semester online (Courses: Astrophysical fluids and plasma, Relativity and cosmology, Quantum mechanics, etc.)

Combustion research Laboratory, IIT Bombay — Mumbai, India
Research Intern — *January 2019 - April 2019*
- **Combustion characteristics and the effect of hydrogen content on syngas-air mixtures**: Formulated an Analytical correlation for Laminar Burning Velocity of Multi-component Gaseous Mixtures Simultaneously at Elevated Pressures and Temperatures.

3 BRD, Air Force Station — Chandigarh, India
IAF (Indian Air Force) Intern — *June 2018*

Projects

- **Tidal disruption events**: ()
- **Precession in GWs**: ()
- **Lensing and precession**: ()

Additional Experience & Achievements

- ***PECOSA Sydney Prize*** for year 2017-18 (Merit Based - Awarded to 3 out of 700+ students)
- Runner up in **Brahmand 3.0** 2017 (PEGASUS 2017 - among 19 teams)
- Winner in **Word Hunt** 2016 (PECFEST 2016 - among 31 teams)
- Secured **1st position** in the Mathematics Quiz sponsored by Punjab State Council for Science and Technology, Chandigarh (Gold Medal - District Level Competition)
- Got **99.3%ile** in JEE (Mains) 2016 taken by 1,400,000+ candidates all over India
- **International Rank 76** in IOS (International Olympiad of Science) 2013 (Gold Medal + *Special Achievement Certificate*)

Workshops and Extra Course Certificates

- Course Certificate for **Astro 101 : Black Holes** by University of Alberta on Coursera. (June 2020)
- Hosted a workshop at undergrad level for **Gravitational lensing** at Punjab Engineering College, Chandigarh (October 2019)
- Attended **ASTROWIN** , Winter School on Astronomy (February 2019)
- Course Certificate for **Particle Physics: an Introduction** by University of Geneva on Coursera. (July 2018)
- Course Certificate for **Understanding Einstein: The Special Theory of Relativity** by Stanford University on Coursera. (July 2017)
